WELCOME TO
DELVILLE DESIGNS

OUR VALUES & SUSTAINABILITY

DESIGNED WITH PURPOSE

Delville Designs is built around thoughtful, intentional styling. Our collection has been curated to complement a variety of interiors, allowing each property to feel distinctive while maintaining a cohesive, photo-ready finish.
With a trained eye for colour, proportion and placement, each selection is tailored to the home with a 'Photo-Ready Room Package' , creating spaces that photograph beautifully and connect with buyers.

CONSCIOUS PACKAGING

We strive to minimize unnecessary packaging and prioritize reusable, recyclable and lower-waste materials throughout our staging and installation process.
As a fully insured staging business, our services include appropriate coverage while our team and rental pieces are working within your property. Client responsibilities relating to staged inventory, loss, damage and applicable coverage are outlined in the staging agreement.

BOUTIQUE BY DESIGN

Our limited collection is offered as part of Delville Designs' staging and styling services rather than as a self-serve furniture rental catalogue.
Selections are determined following the property consultation, allowing furnishings and accessories to be coordinated specifically to the home's layout, colour palette and staging needs.
Larger properties, multi-room installations and projects requiring additional quantities are supplemented through our trusted furniture rental partners.

THOUGHTFUL MATERIALS

We favour natural textures, organic materials and thoughtfully selected textiles that bring warmth, softness and balance into a space. Inspired in part by principles of Feng Shui and biophilic design, our approach considers not only how a room looks, but how it feels. Your space. Your needs. Thoughtfully styled.

PEOPLE FIRST

From consultation through installation, Delville Designs coordinates the selections, styling and deliveries needed to create a cohesive, photo-ready home.
Our flexible in-house rental policy is based on an initial 30-day rental period, with bi-weekly renewals available thereafter (policies from outsourced rental furnishing companies vary).
